WHAT IS TITLE I ?

Title I began in 1965 (ESEA) as a **federal program to ensure equal opportunities for low- income school districts.**

Through Title I, the federal government **disburses money to school districts based on the number of low-income families in each district** as determined by census data.

The school **uses its Title I money to supplement and improve educational programs offered to help ALL students** meet state standards.

The Purpose of Title I

- . . . is to ensure that **ALL students** have a **fair, equal, and significant opportunity to obtain a high-quality education and reach**, at a minimum, **proficiency on challenging State academic achievement standards** and **State academic assessments**.

All Meriwether County Schools are Title I Schools!

Title I Schools shall:

Develop a School-Wide Plan

Conduct a needs assessment/parent survey on the types of programs we offer and use parent input to guide our decision making on ways to help students

We hold Parent workshops / presentations to train and inform parents about standards, assessments, etc...

Use Title I Money to provide ALL students with services to help them achieve academic success

We establish goals based on multiple pieces of data and determine how are we going to meet our goals through programs & interventions

Accessibility

We want to make all documents and forms accessible to ALL parents in a manner that is easily read and understood.

Copies of documents/forms can be printed in large format (upon request) and in other languages (upon request).

College and Career Ready Performance Index ~ CCRPI

- Georgia uses the **College and Career Ready Performance Index (CCRPI)** for state accountability purposes.
-
- The CCRPI is like a **REPORT CARD** for schools.
- CCRPI has multiple indicators to determine a school's performance, rather than using a single test score given at one point in time.
