

Unity Elementary School

Family Engagement Plan for Shared Student Success

Revised June 10, 2024

2024-2025

What is Title I?

Unity Elementary School is identified as a school-wide Title I elementary school as a part of the Elementary and Secondary Education Act of 1965 (ESEA). This means that we receive federal funds to help all students become academically successful. Title I is designed to support schools in meeting challenging state academic standards and to reinforce and enhance efforts to improve teaching and learning for students.

Unity Elementary School family engagement programs will be based on effective means of improving student achievement and include strategies to support parental involvement and family engagement. As a Title I school, UES will jointly develop with all parents, a written family engagement plan. Parents, guardians, and families will have the opportunity to review the school-wide plan and provide suggestions for improvement.
