# WHAT IS TITLE I ?

---

Title I began in 1965 (ESEA) as a federal program to ensure equal opportunities for low-income school districts.

---

Through Title I , the federal government disburses money to school districts based on the number of low-income families in each district as determined by census data.

---

The school uses its Title I money to supplement and improve educational programs offered to help ALL students meet state standards.

# The Purpose of Title I

... is to ensure that **ALL students** have a **fair, equal, and significant opportunity to obtain a high-quality education and reach**, at a minimum, **proficiency on challenging State academic achievement standards and State academic assessments.**

.

# All Meriwether County Schools are Title I Schools!

All Title I Schools shall: Develop a School-Wide Plan

- Conduct a **needs assessment/parent survey** on the types of programs we offer and use parent input to guide our decision making on ways to help students
- We hold **Parent workshops / presentations** to train and inform parents about standards, assessments, etc...
- Use **Title I Money** to provide **ALL students** with services to help them achieve academic success
- We **establish goals** based on multiple pieces of data and determine how are we going to meet our goals through programs & interventions

# Accessibility

- The CCRPI is like a **REPORT CARD** for schools.
- CCRPI has multiple indicators to determine a school's performance, rather than using a single test score given at one point in time.
