

We value your input at Unity Elementary School!

Unity Patriots Family, Friends, & Community:

Your input is very valuable to us at Unity Elementary School as we strive to continuously improve our programs. We welcome your suggestions and appreciate your feedback throughout the school year as we aim to make our school the best it can be. Please share your comments and suggestions about the parent engagement plan, school compact, Title I funds, and ways that we can help you at home. You can also reach out to the Family Engagement Coordinator, Ms. Colton, at (770) 927-6488 or at tykaunda.colton@mcssga.org, or you can scan the QR code as well to ensure we have your feedback throughout the year.
