Plan Revised June 10, 2025

What is a School - Family Compact?

It is an agreement that families, teachers, and students review and update annually that explains how all stakeholders will work together to make sure **ALL** students reach their academic potential and graduate. The compact signed by parents, students and faculty describes how each will be responsible for supporting academic learning. The school-family compact remains at home to be reviewed by the student and parent. It will be discussed throughout the school year at different family engagement programs and parent-teacher conferences.

How is the compact developed?

This compact is revised each year by all stakeholders involved to portray the current academic needs of Unity Elementary School. Multiple opportunities are provided for all stakeholders to share ideas with regard to what is most needed for the educational success of all students. These opportunities include school council meetings, faculty meetings, conferences, email, parent meetings, and more.

Activities to Build Partnerships

There are many opportunities for parents, teachers, and students to build partnerships throughout the school year. Such opportunities include:

- Conferences
- Title I Meetings
- Parent Workshops
- Student Registration
- Volunteering
- Family Engagement Programs

Communication between School & Home

At Unity Elementary School, many forms of communication are used to share information about student learning. These forms include:

Open House
