

Eric Alston, Principal Todd Holloway, Assistant Principal Crystal Moseley, Instructional Coach Tykaunda Colton, Counselor/FEC

Unity Patriots Family, Friends, & Community:

My name is TyKaunda Colton, and I am excited to be your Family Engagement Coordinator for the 2026-2027 school year at Unity Elementary School. As a graduate of the Meriwether County School System, I am eager to bridge the gap between the school and the community. I know the importance of parents, family, and community working together to uplift our students. Together, we can make UNITY the BEST school for our students.

As the Title I Family Engagement Coordinator, I will focus on state and district goals and standards for Title 1 programming related to parent and family involvement. It is my duty to increase active participation, communication, and collaboration between parents, schools, and communities with the goal of educating the whole child to ensure student achievement and success. I will serve as a school-based mediator for questions, comments, and concerns made by parents and community members. I will also promote sharing of power to parents and families as decision-makers, and most importantly, I will help parents and families understand the educational system so they can become better advocates for their children's education.

All parents and family members are encouraged to attend upcoming school events and meetings. Please log onto the UES website (<https://ues.mcssga.org>) and Unity's Facebook page to stay informed.

I look forward to building relationships with each and every family and community member of Unity Elementary School. I am available if you have any questions, comments, or concerns; I can be reached at (770) 927-6488, ext. 6004 and by email at tykaunda.colton@mcssga.org.

Sincerely,

TyKaunda Colton
