Dear Parents,

In compliance with the requirements of Every Students Succeeds Act, the Meriwether County School System would like to inform you that you may request information about the professional qualifications of your student’s teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student’s teacher—
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided with services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child’s teacher and/or paraprofessional qualifications, please contact the Human Resources Department, 706-441-0601.

Sincerely,

Carrie Chambers
